

### Company expansion -- gratitude team enjoy it

In order to stimulate employees' passion for work and exercise their physical quality, the company has organized many expansion activities, such as "Gratitude Team Enjoying Team Development Activity", Huizhou East Trip, etc., so that work and life can be better integrated. When you have been used to the city noisy life, involuntarily immerse in the modern civilization and high-tech bathtub, by the comfortable wave massage limbs languid lazy. Always want to seek a new leisure fun, therefore, a free, 3 or 5 friends meet, go to the outskirts of the mountain scenery, go to the seaside to see the sunset, it has become a great joy in life.
