

## TFC Communication Awarded as Diamond Supplier of The Year 2020 by II-VI

**Jan. 25, 2021**--Suzhou TFC Communication Co., Ltd, a global leader in vertical integrated optical device manufacturing and service provider, today announced that it has received Diamond Supplier of The Year 2020 award from II-VI.

This prestigious award recognizes TFC Communication in terms of NPI engagement, high quality performance, agile delivery performance, and 24x7 customer service that's supporting II-IV to exceed its customers' expectations. The distinction was awarded during II-VI's 2021 Global Supplier Appreciation Event, held online in the morning of Jan.20, local time.

"It's a great honor and a privilege to be receiving such an important award, 2020 Supplier Diamond Award. We're truly grateful for the recognition on behalf of everyone in TFC. First, we'd like to thank II-VI management, for your partnership and trust. 2020's been unique to everyone here, we faced such many challenges, but we hold each other strong and overcome those challenges together. Second, we're very thankful to II-VI R&D engineers, supply chain teams and quality teams, your professional, your kindness, your patience that enlightening us to be better than ever. I look forward everything we can accomplish together in the years ahead." Said Lucy Ou, the CEO of TFC Communication.

II-VI presented awards to suppliers in recognition of excellence in collaborating with II-VI to achieve the highest levels of performance, innovation, and service.
