COMPLIANT

GR-1221

GR-1209

 <p>Barcode Tracking System</p>	 <p>120K CH/month PLC Production Capacity(1X8ch)</p>
 <p>100% Factory tested</p>	 <p>-85°C -40°C~85°C Extreme temperature conditions -40°C</p>

PLC Splitters

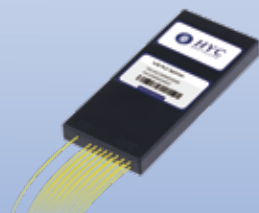

Features:

- Compact design
- Automatic alignment and test system
- HYC own production for fiber array
- Lean production management

● ● ● Available in variety of package types and configurations

MINI module

ABS type

PLC+MPO LGX

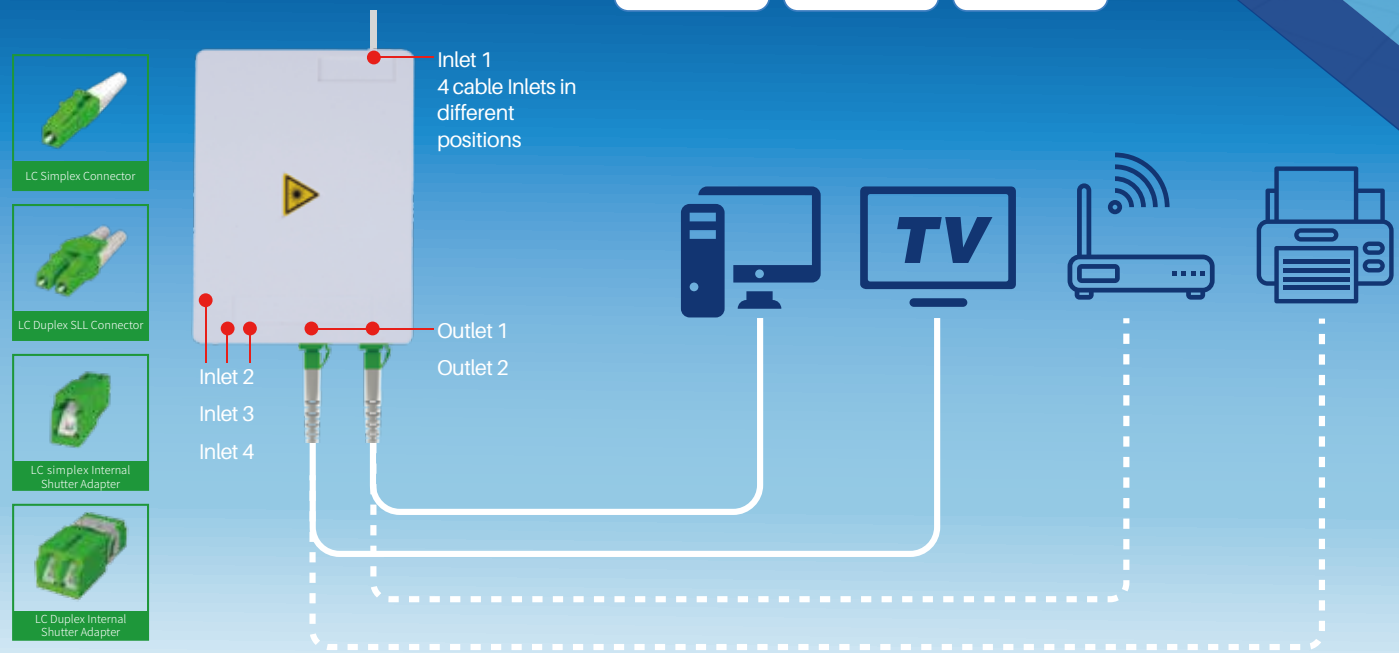

Rack type

Passive Optical Devices OEM/ODM Manufacturer

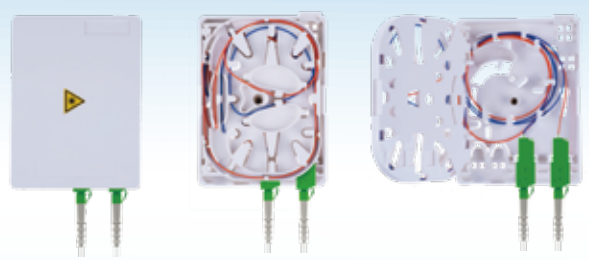

FTTH SOLUTIONS

RoHS COMPLIANT GR-1221 GR-1209

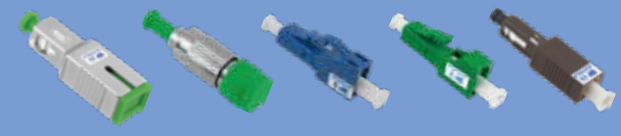

FTTx Wall Plate

2 foldable routing trays, can contain more rolled cables

SC/LC FBG Reflector, Pigtail type

SC//FC/LC/MU Fixed Attenuator

FTTH Patch Cord

One-handed operation possible

IP68 Waterproof Cable Connector

Passive Optical Devices OEM/ODM Manufacturer
