Opticking Profile

Shenzhen Opticking Technology Co., Ltd. is an innovative and Hi-tech company dedicated to R&D, manufacture, sales and service of optical communication products. Since its establishment in 2005, the company has been growing fast, by so far, we maintained 3 production bases in the cities of Shenzhen and Yichun. These modern workshops span a total of 6,000 square meters and are staffed by more than 200 employees.

Opticking provides effective and simple optical communication solutions to customers across the world, and be the pioneer of optical communication technology with adhering to the concept that “Technical Innovation Drives Development”. Based on global operation, massive production and scientific management, we have our cost greatly reduced, which grants us price advantage in the market place. Guided by the operating philosophy that “Technical innovation and brand create the future”, we have made out best endeavors to provide high quality products and services to every customer. With decades of operation, Opticking has built a good market image and reputation, and received tremendous growth and wide acknowledgment over the world.
Strategy Deployment

SHENZHEN HQ

Shenzhen has the advantage of taking over the international market in line with Hongkong, and will facilitate the import of raw materials and products to the foreign mark, establish center of active device, more 30 employees, monthly capacity reaches 200K SFP modules.

JIANGXI FACTORY

Passive product line is deployed in Yichun Jiangxi. With the convenience of multi-business support and manufacturing cost control, it make the company more competitive. FTTH product line with more 170 employees, monthly capacity reaches 1 million connectors.

Solution with Core Competencies

1) Pluggable optical transceiver module:
   100G QSFP28
   25G SFP
   SFP+
   XFP
   SFP
   CWDM / DWDM
   Etc...

2) Data Center Application:
   100G QSFP28 LR/SR/AOC
   40G QSFP+ SR/LR/AOC

3) MPO/MTP Data Center Cable System

4) FTTH Product as PLC Splitters & Patchcords, Pigtauls, Adaptors
• SFP Transceivers

• Passive Components
Certificate CN08/33025, continued

Shenzhen Optic King Technology Co., Ltd.
ISO 9001:2015

Issue 2.

Detailed scope.

Design and manufacture of optical modules,
Manufacture of fiber optic patchcords and planar lightwave circuit
(PLC) splitters

Further clarifications regarding the scope of this certificate and the applicability of
ISO 9001:2015 requirements may be obtained by consulting the organization.

Additional facilities

Jiangxi Optic King Technology Co., Ltd.
No. 5 Building, No. 42 Jinglu Avenue, Economic Development Zone,
Yichun City, Jiangxi Province, P.R. China
