OFC — Where Business Gets Done

Exhibit at OFC 2021 and be part of the ONE EVENT that brings together the biggest names in the field, offers key networking and partnering opportunities, and provides insights and inspiration on the major trends affecting the industry. Representing a wide range of products — from optical components and devices to systems, test equipment, software and specialty fiber — OFC represents the entire supply chain and provides the premier marketplace where the industry learns, connects, networks and closes deals.

Top Five Reasons Companies Exhibit:
- Meet qualified buyers
- Be seen as an industry leader
- Reinforce existing customer relationships
- Introduce a new product or service
- Make sales at the show

Exhibiting at OFC Grows Your Business

Connect with a solid and expanding base of industry experts, influencers and prospective buyers from every sector of the market – from data center end users and service providers and carriers, to systems and component vendors.

San Francisco Hosts the World of Optical Networking and Communications in 2021!

OFC is moving to San Francisco in 2021. As the world’s premier event in the industry, we’re excited for our event to take place in the City by the Bay – a community rich with technology, business and innovation... not to mention a vibrant music and restaurant scene.
Typical OFC Attendee Demographics

Registrants by the Numbers*

- 21% of attendees are C-level
- 68% have a role in buying decisions
- 1/3 of participants are based outside the United States
- 45% of exhibit attendees spent 10+ hours on the show floor
- 95% of attendees visited exhibits
- OFC 2019 had 15,000+ participants from 70 countries
- 91% of exhibitors are likely to exhibit again
- 51% of exhibit attendees have purchasing budgets of $1M or more
- OFC 2019 generated 16,200+ news articles reaching an audience of 2.7 billion
- More than 100 media and analysts registered for the conference

*Information based on OFC 2019 registration data and OFC 2019 post-conference survey data. Due to the COVID-19 travel and quarantine restrictions, OFC 2020 was transitioned into a hybrid virtual and in-person technical conference and exhibition which impacted onsite attendance. We were pleased that remote participation for the virtual sessions was robust and engaging.

Special Loyalty Discounts for 2020 Exhibitors

Did you exhibit at OFC last year? Discounts are available to 2020 exhibitors. Please contact your Sales Representative at sales@ofcconference.org to learn more and take advantage of substantial savings.

Exhibition Center Meeting Space

This meeting space, which is available for exhibitors only, consists of meeting rooms away from the expo hall to allow for additional privacy. Limited rooms are available and are assigned on a first-come, first-served basis. Hourly pricing available.

Corporate Villages

Corporate Villages are hard-walled meeting rooms/offices built on the exhibit floor for private meetings and demonstrations. Corporate Village spaces include all of the regular Exhibit Space benefits as well as a private hard-walled, turn-key space with standard carpet, furniture and electric. Corporate Villages can also be customized.

What’s Your Investment?

Prices vary based on size, and are available starting at US$ 5,000. Call us for details.

"OFC is where we have significant opportunities to address the fiber optic community with products that expand the entire technology. We’re committed to being here supporting our customer base."

Janis Valdmanis, General Manager of the Ann Arbor, Michigan Business Unit of Thorlabs

OFC Health and Safety Practices

Measures for Your On-site Well-being

The health and safety of attendees and exhibitors is of primary importance. OFC Management is committed to taking necessary precautions to provide participants with confidence and peace of mind when attending onsite.

As we plan the OFC Conference, we rely on the latest guidelines from government and medical authorities, and are in frequent contact with the Moscone Center and our hotel partners and service providers to confirm and follow best practices.

We believe it is vital to keep our community reliably informed on our plans, and commit to providing current information on the conference website, ofcconference.org/cares
